SAT Summary for Class of 2014

(43 students tested)

- Critical Reading: 480 - 630 (570)
- Math: 510 - 680 (602)
- Writing: 480 - 630 (569)
- Total: 1530 - 1940 (1741)

ACT Summary for Class of 2014

(19 students tested)

- English: 21 - 26 (24.7)
- Math: 23 - 29 (25.7)
- Reading: 22 - 30 (26.7)
- Science Reasoning: 22 - 26 (24.1)
- Composite: 22 - 28 (25.3)

School Community

Frankfurt International School (FIS) was established in 1961 as a private, non-profit association to serve the international community by offering education of an excellent quality with English as the principal language of instruction. FIS is accredited by the Council of International Schools (CIS) and the New England Association of Schools and Colleges (NEASC). As one of the oldest and largest of Europe's international schools, FIS is known for its high academic standards and expansive campus facilities. The school offers a rich extra-curricular program, and computing and instructional technology are also an integral part of the school. The facilities at all campuses are excellent and provide outstanding resources for learning.

Our Students

The Class of 2014 has 129 students. The total enrollment is 1700 students representing over 50 nationalities, with the largest numbers identifying themselves as American (30%), German (21%), South Korean (12%) and British (8%). Over 30 native languages are spoken within the school community. In Grades 9-12 the enrollment is 535 students with 130-140 students at each grade level. Historically, one third of graduates matriculate to the United States, one third enter UK universities, and one third pursue higher education in other countries around the world.

FIS Grade 9-12 Curriculum

FIS is a founding International Baccalaureate (IB) World School where 90% of graduates pursue and receive the IB Diploma. Students who do not pursue the IB Diploma may instead opt to take IB certificates and be awarded a High School Diploma. In addition to their required coursework, students may pursue independent study or become active in the school's summer internship program. The only tracked subjects in Grades 9 and 10 are Math and Foreign Languages.

Co-Curricular and Athletic Programs

Students in Grades 9-12 have a rich variety of co-curricular opportunities, including visual and performing arts, organized clubs, and school publications. Students compete internationally in 12 different varsity sports and international travel is also part of activities such as Model United Nations, Math Olympiad and music and theater exchanges.

Class Ranking and GPA

Given the inherent rigor of the IB Diploma Programme taken by the vast majority of students, FIS does not provide a specific ranking of its students. The school uses a 7-point scale with GPAs weighted for the difficulty of their IB courses: an extra 1.0 is awarded for IB High courses and 0.5 is awarded for IB Standard courses.

Grading Scale: 7 = A+ 6 = A 5 = B 4 = C 3 = D 2/1 = F
The graduates from the Classes of 2011-2013 have been offered admission to leading institutions worldwide including:
