No matter where you go in the world...
The Classes of 2013 and 2014 set high standards with their donations. Let the Class of 2015 leave its own legacy!

All donations of €100 or more will be recognized on our donor tree in the Alumni Courtyard. Your family or child(ren)’s name(s) will be engraved on a leaf and placed permanently on the tree for our alumni community and future generations of FIS students to enjoy.

Donations will benefit student scholarships unless otherwise specified. You can help open the door of opportunities for a future FIS graduate.
You always have a home at FIS!

Leave your legacy on the FIS Alumni Tree.

It’s important. It’s meaningful. It’s easy.
